

Winter Harvest Dinner 2020
Saturday March 28, 2020
6 PM - 10 PM
Litchfield Community Center

*A fundraising event to support the Litchfield Hills Farm-Fresh Market programs
in our community*

It's that time of year to celebrate the aromatic and hearty local food available during the winter months - fresh from winter-growing facilities, fall crops cold stored and tasting fresh from the field or "put up" last summer/fall just for this dinner. Chef Samantha Tilley of Mockingbird Kitchen and Bar is our resident Executive Chef and always presents a delicious and memorable meal paired with wine and beer. Barbara Mojon-Gugnoni, resident pastry chef, will create one of her delectable desserts. Menu planning is underway, and Chef Sam promises some of her signature oysters as one of the hors d'oeuvres offerings.

BUY YOUR TICKETS at the farmers' market or on-line or mail this form and a check to:
